Preface

Welcome to **Cardinal**, a book written in [Quarto](#).

This project is built from markdown, executable R code, and a bibliography, so figures, tables, and results stay in sync with the source. Chapters are listed in `_quarto.yml` and rendered together as HTML and PDF.

```
# A small check that the book environment is working

```

```
[1] "R version 4.3.3 (2024-02-29)"
```

1 Introduction

This is a book created from markdown and executable code.

See Knuth (1984) for additional discussion of literate programming.
